Alankit assignments and NSDL join hands to offer national pension system

NEW DELHI : Alankit Assignments in association with NSDL e-Governance Infrastructure Ltd. will offer National Pension Scheme, a Government of India initiative. The scheme is regulated by Pension Fund Regulatory and Development Authority (PFRDA).

A Corporate Awareness Program was held on 13th May, 2014 at JW Marriott Hotel, Chandigarh for the understanding of NPS Architecture and benefits of introducing the scheme. After serving the capital market industry for more than two decades, Alankit Group has now successfully added another feather to its cap by allowing its patrons to avail of this new Pension System by being a Point of Presence (POP) or the first point of interaction between the voluntary subscriber & the NPS Architecture.

A formal ceremony was held on 13th may, 2014 in the presence of senior officials from both Alankit Assignments and NSDL, along with some notable corporates from the city. Speaking on the occasion, Mr. Amit Sinha, Executive Vice President, NSDL said, "NPS is providing a low cost transparent model to manage ones' retirement savings. The major attraction for the subscribers is the additional tax benefits offered by the scheme.

We happily take the responsibility of providing the best in class services with the idea of improving the savings pattern of Indian citizens." Mr. Alok Kumar Agarwal, Chairman and Managing Director, Alankit Group said, " We are glad to be associated with the Pension Regulator (PFRDA) for spreading the awareness of NPS.
